

# Advanced AdvaGrid - Suspended Grid System Ceiling

n55Plus

High performance, easy clean, smooth finish hygienic vinyl faced ceiling tiles containing an integral Biocide preventing the growth of fungi and bacteria.

## K40 Demountable suspended ceilings

### Typical applications:

Food manufacturing areas, commercial kitchens, pharmaceutical areas, laboratories, showers, W.C's and wet hygienic areas.

### Suitable substrates

- Damp or uneven surfaces (subject to survey by manufacture's engineer).
- Suitable frame, e.g. timber battens or metal sub frame.

### Advanced AdvaGrid - Suspended Grid System Ceiling

- Manufacturer: Advanced Hygienic Contracting Ltd.
- Web: [www.cladding.co.uk](http://www.cladding.co.uk)
- Tel: 0330 100 0313
- Product reference: Advanced AdvaGrid - Suspended Grid System Ceiling
  
- Size (w x l): [600 x 600 mm]  
[1200 x 600 mm]
- Thickness: [8 mm] Manufacturer's Standard

### Fire rating to BS 476-7:1971:

Class 1

### Colour:

White.

### Method of fixing:

Ceiling tiles installed in either 15 or 24 mm grid, which allows tiles to be demounted for access into ceiling void.

### Components:

The strength of the ceiling tiles will support a point load: 3 kg/ tile for 2 mm deflection (maximum). This will normally allow fittings such as spot lights or down lighters to be installed without the need for a support pattress.

Advanced Hygienic Contracting reserve the right to change any product specification, design or description without prior notice. No responsibility or liability can be accepted for any loss or damage arising from any error or omission contained in this document.
